THEMES FOR INTERNATIONAL ALBINISM AWARENESS DAY 2019

You may use this theme or create your own

“Still Standing Strong.”

“Toujours aussi fort.” – FRENCH

“Seguimos de pie, más Fuertes.” – SPANISH

This theme has been chosen to recognize, celebrate and encourage strength in persons with albinism. We also wish to recognize that despite all the past and ongoing challenges faced by persons with albinism (from stigma and discrimination around the world to discrimination in health and education and finally, attacks and violations), we are **STILL STANDING STRONG!**

We invite you to use the hashtags **#stillstrong #iaad #iaad2019, #AlbinismDay** and you may also add the UN human rights hashtag, **#standupforhumanrights**
